

2012 NAPE NATIONAL CONFERENCE IN PHILADELPHIA, PA

The members of the National Capital Area Association of NAPE, Maryland #5, Philadelphia #76, DC #1 and Baltimore #1 are very proud to announce the upcoming National Conference in Philadelphia in the summer of 2012. This event will feature leaders from around the country in Commercial Facility Engineering and Power Generation Industries. This years event will include diversified educational programs and roundtable workshops along with the scheduled yearly convention business and a very exciting itinerary of social events and tours. Please consider joining us to celebrate the future of the National Association of Power Engineers.

The Conference will be held July 25th - July 28th, 2012 at the Hyatt Regency Philadelphia in the historic area of Penn's Landing in Philadelphia, Pennsylvania. For more information please visit us at www.nape-ncaa.org or call 1-877-397-8038 and ask for Ted or Connie Ross.
