

# July 2007

## PRESIDENT'S MESSAGE

Please allow me this moment to thank everyone that has shown their confidence in me to move into the President's position of this great chapter of NAPE. With your help, along with guidance from the Board and the past Presidents, I plan for this to be a very prosperous year. The Board finished off the year initiating some very aggressive projects, and it is now our task to complete these projects. The Boardroom expansion is almost completed, and the parking lot is under way. As you all know, our parking lot has been in need of attention for some time but each new item of repair needs to have a priority. We, as the new Board, will be looking at our building for items that fall in this category of capital repairs or replacements as money and time permits.

**I would now like to introduce this year's new Board of Directors for the 2007-2008 year.**

Fred Bowles - First Vice President

Ted Ross - Second Vice President

Martin Blake - Treasurer

Dale Treadway - Financial Secretary/Membership Chairman

Bill Lehan - Secretary

Terry Ritter - Conductor

Pete McConnell - Trustee

Donnie Childress - Trustee

Mike Morin - Trustee

I cannot thank enough Richard Neal and Joe Mihalick, our two outgoing Board members, for thier service. Both will be missed from the Board meetings!!! Richard is not going away, but Joe's work will pull him away from the meeting on a regular basis.

Please welcome the new Board and thank them for taking time out of their busy schedules to volunteer their time to NAPE and your DC #1!

Yours in Engineering,  
Curtis Struchtemeyer  
President
